Reminder: RSSA | MSK 2026 Congress: 16 - 18 October 2026

Please be reminded to register for the upcoming **RSSA 2026 MSK Imaging Course**, which will be held at The Westin Hotel, Cape Town - 16th to 18th October 2026.

This intensive program will combine a balanced mix of learning formats: approximately 20% will focus on didactic lectures addressing imaging approaches and joint assessment, 20% will be devoted to a review of frequently encountered pathologies, and the remaining 60% will consist of case-based interactive sessions. Each participant will have access to a workstation to independently work through cases. Topics will include imaging of the hip, knee, shoulder, elbow, wrist, hand, ankle, and foot, with additional dedicated sessions on tumors, infection, and advanced sports imaging.
